Notification dated 26th October 1953.

Sealed tenders will be received in the Office of the Executive Engineer, Mandya Division, Mandya, up to 4 P.M. on 24th November 1953, for the following work :—

Subject	Estimate	Earnest money
	Rs.	Rs.
Restoration of Breached Pusalagere Tank, Nagamangala Taluk.	13,780	700

Each tender must be accompanied with a duplicate chellan for having deposited the earnest money noted above into the Treasury to the credit of Revenue Deposits by Public Works Department in default of which the tenders will be rejected. Tenders must be submitted in the prescribed form obtainable in this office on payment of annas four per copy and will not be accepted on either manuscript or typed forms. Cheques will not be accepted for earnest money.

The quantities noted in the abstract are approximate subject to variation during execution and the detailed estimate, plan and detailed tender form can be seen in the office during working hours.

The tenderer should quote specific rates for each item of work both in words and figures. The rates quoted should hold good till the work is completed. It should be inclusive of all taxes such as the Sales-tax, etc., payable as per rules or other taxes that are leviable from time to time.

In case of any accident to the labour employed the accepted tenderer should pay compensation to the injured as per rules, failing which, the amount will be deducted out of his claims and paid to the injured.

For items of works not provided for in the estimate at the time of tender, minimum current schedule of rates will be paid for such items. For other items, rates as per data got up based on the minimum curreut schedule will be allowed.

The work should be taken up within a week from the date of acceptance of tender duly executing the agreement and should be completed within one year with uniform progress every month. In case the work is not completed in time, penal clause of the agreement for the short progress will be enforced.

Final acceptance of the tender rests with the Superintending Engineer who will not bind himself to accept the lowest or to furnish any reasons thereto.

The income-tax clearance certificate is to be enclosed along with the tender and tenders received without the certificate are liable to be rejected.

5392 L. C. KESHAVA RAO, *Ex. Engr.*

MALAVALLI DIVISION, MANDYA.

Abstract Tender Notification dated 26th October 1953.

The attention of the public is invited to the Brief Notification calling for tenders in respect of the construction of the Adikarnataka Middle School at Malavalli Town, published in Page 1417 of Part VI of *Mysore Gazette*, dated 5th November 1953. M. N. RAMAKRISHNA,
5586 *Ex. Engr.*

SHIMOGA DIVISION.

Notification dated 30th October 1953.

Sealed tenders duly signed by the contractors will be received in the Office of the Executive Engineer, Shimoga Division, Shimoga, up to 4 P.M. on 30th November 1953.

Name of work	Amount of estimate.	For work portion	Earnest money
	Rs.	Rs.	Rs.
Construction of a Building for Kannada Boys' Middle School at Konandur, Thirthahalli Taluk.	12,800	12,701	640

1 Each tender must be accompanied by a duplicate treasury chellan for having credited the amount of Rs. 640 being the earnest money under "Revenue Deposits". Tenders not accompanied by the treasury chellan for having credited the earnest money will be rejected. Requests for adjustment of amount due by Government will not be considered. The contractor should quote rate for each individual item of work in the estimate.

2 No cheques will be accepted.

3 The successful contractor shall bind himself to abide by the departmental rules in force and shall execute the necessary *mutchalika* within a fortnight from the date of receipt of information of acceptance of his tender, failing which, his earnest money will be forfeited.

4 The final acceptance of the tender rates rests with the Superintending Engineer, Shimoga Circle, Shimoga, who does not bind himself to accept the lowest or any other tender or to assign any reason whatsoever for the rejection of any.

5 No conditional clause will be accepted.

6 The rates to be quoted should be inclusive of sales-tax, octroi-tax and any other tax prevailing in the area.

7 The contractor must make his own arrangements for conveying materials.

8 Copies of the tender forms may be had from the Office of the Executive Engineer, Shimoga Division, Shimoga, on payment of annas four per form.

9 The plan, estimates and other particulars relating to the work will be available in the Office of the Executive Engineer, Shimoga Division, Shimoga, between 11 A.M. and 5 P.M. on all working days.

10 For lumpsum provision and for items not provided in the estimate, the rates will be paid as per current schedule of rates. For items of works not found in the schedule of rates, the rates as per approved data will be paid.

11 The earnest money deposit of the unsuccessful tenderer is refundable after acceptance of tender by competent authority or after two months from the date of receipt of tenders whichever is earlier.

12 The rates quoted shall hold good if the tender is accepted within six months from the date of tender and shall thereafter be binding for the execution of the entire work.

13 The sales-tax and income-tax clearance certificates should be enclosed along with the tender and tenders received without the certificate are liable to be rejected.

14 Tendered contractors have to pay compensation to the disabled workmen working under them for any injury or death caused or occurred during the execution of this work, failing which, the amount will be deducted from the bills and paid to the injured or to the legal heirs of the deceased.

15 The contractor will have to make his own arrangements for water required for the works, scaffolding materials, conveying of materials, approach road to quarries. No extra amount will be paid for any of the above items.

16 If the work is not completed and handed over within the specified time a fine of Rs. 50 will be levied for every month's delay.

5564 C. K. RANGARAJA IYENGAR, *Ex. Engr.*

SAGAR DIVISION, SAGAR.

Notification dated 6th November 1953.

Sealed tenders will be received at the Office of the Executive Engineer, Sagar Division, Sagar, up to 4 P.M. on 30th November 1953, for collecting and stacking granite jelly and sand for cement concreting the road from Thalaguppa Railway Station to Jog Pravasi Mandira (12—1/8th miles).

1 The jelly to be collected should be hard granite jelly of cubical shape and should be free from flakes, dust and powder. For each furlong 140 Cyds. of jelly is to be collected for cement concrete. Out of this jelly about 2/3rd quantity of jelly should be of size $1\frac{1}{4}''$ and 1/3rd quantity should be of $\frac{1}{2}''$ to $\frac{3}{4}''$. 70 cu. yds. of jelly is also required per furlong for widening and reconditioning.

These two qualities of jelly should be stacked alternately in separate heaps on the prepared berms of the roads at such measured spacings as specified by the Executive Engineer.

2 For the section from Thalaguppa Railway Station to Sri Ganapathy Temple the granite jelly should be conveyed from the developed quarries to be got approved in Thalaguppa-Hirebhasgar road section. For miles 229 to 235 on Bangalore-Jog road, and for the 1st $2\frac{1}{2}$ miles of Jog-Bhatkal road the jelly should be collected from the developed quarry to be approved in Jog Ferry road.
